Sri MOHAMAD ALI.—The work is under progress according to old design.

Sri S. SIVAPPA.—Then how does the question of change of design arise ?

Sri MOHAMED ALI.—The change of design is under the active consideration of the corporation.

Sri S. SIVAPPA.—Who is the contractor ?

Sri MOHAMED ALI.—I do not have the name here.

Sri H. N. NANJE GOWDA.—Are we to infer that the work was stopped due to change in design ?

Mr. DEPUTY SPEAKER.—He has stated that it was under dispute.

Sri H. N. NANJE GOWDA.—The only reason is dispute with the contractor. Are we to take like that ? Is it the only reason ?

Sri MOHAMED ALI.—The hon'ble member can infer whatever he likes.

Sri S. SIVAPPA.—From the answer it is clear that the work was suspended because there was a change in design. Now you say that the work is resumed as per the old design.

Mr. DEPUTY SPEAKER.—He states that it is under dispute and at the same time the Government is considering the question of change of design.

Sri H. SIDDAVEERAPPA.—May I know whether dispute with the contractor has been resolved ? After that being decided, whether the old contractor has been asked to go ahead with the work according to old design.

Sri MOHAMED ALI.—The old contractor has been allowed to continue the work and the dispute has been resolved and the corporation has decided to supply iron and steel and cement as per the agreement.

Mr. DEPUTY SPEAKER.—The Question Hour is over.
